- ❖ Mr. Morey R.B. NSS Co-coordinator introduced the programme.
- ❖ Mr. Santosh Pawar was the Chief guest for the programme.

Details of the programme.

People of different castes and religions live in India, there are various problems. These problems are educational, financial, family. But a living example of some social problems is the children's home for destitute children with AIDS in Khandgaon, Taluka - Sangamner.' On February 18, 2022, students and faculty of the college went on a one-day educational trip to help destitute children affected by AIDS in Khandgaon.

Went to visit the orphanage. Had darshan of Mahadev in the nearby Khandeshwar temple and had lunch there and reached the ashram site at 2 pm. I got acquainted with the president of the ashram, Pawar sir. Pawar sir gave complete information about the ashram to the students. Students with AIDS were given complete information about the problems they face, their care, their diet. Cleared the doubts of the students. The students fed the children of the ashram and played recreational games with them. The students learned about the problems faced by the AIDS students and the care they receive during the one-day educational trip.

2) Practice teaching /internship in schools:-

Pravara Rural College of Education, Pravaranagar conducts practice lessons for first and second year students. First year students study a total of six practice lessons, three each of two methods. 2nd year students complete six practice lessons, two of three methods. Students bring the unit to school before going to the practice lesson. The rough practice lesson is checked according to the grade and subject assigned to them. Students complete the practice lesson heel as instructed by the instructor. After going to school, students go to their assigned classrooms and complete practice lessons. While learning this lesson, students try to excel in the lesson, so students use Teaching aids. College professors observe and evaluate students' practice lessons while students take practice lessons. Students appear in the uniform prescribed by the college during the practice session. After the completion of the practice lesson, the professor gives suggestions to the students on what needs improvement and what is good in the practice lessons, accordingly the students improve their next lessons.

5. Join hands with schools in identifying areas for innovative practice-:

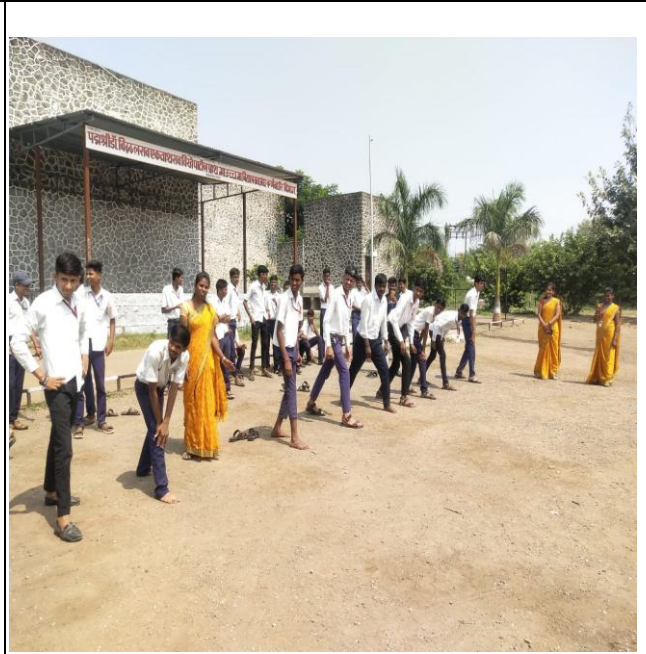

Social Activity-Visit to deaf and dumb school

There is a deaf and dumb school at a distance of eight kilometers from the college. The work of treating these deaf and dumb students like normal children is done through the students. After organizing practical lesson and internship in this school, B.Ed students conduct cultural and extra-curricular activities for normal children as well as deaf and dumb students. This creates a sense of happiness in the deaf and dumb students and helps to reduce the newness in them. Apart from this, daily teaching works to create awareness and sensitivity among students about social problems.
