

# Earn and Learn Scheme

## **Name of the College:**

Pravara Rural College of Education, Pravaranagar

## **1. Introduction:**

The “Earn and Learn Scheme” was implemented in the college with the objective of supporting economically weaker students and promoting their overall development. This scheme helps students to become self-reliant and instills a sense of responsibility and work culture among them.

## **2. Objectives:**

- To provide financial assistance to economically weaker students
- To develop self-reliance among students
- To provide work experience along with education
- To boost students’ confidence
- 

## **3. Duration:**

1st November to 28th February

## **4. Number of Participants:**

Total 17 students participated in the scheme.

## **5. Nature of Work:**

- Library management
- Office assistance
- Campus cleanliness
- Tree plantation and maintenance
- Computer lab assistance

## **6. Work Schedule:**

Students worked for 1 hour daily.

## **7. Remuneration / Wages:**

Students were paid ₹55 per hour.

## **8. Implementation Process:**

- Selection of interested students
- Allocation of work
- Work carried out under the guidance of teachers

## **9. Benefits of the Scheme:**

- Financial support to students
- Development of self-reliance
- Improvement in time management
- Increase in confidence level

## **10. Conclusion:**

The Earn and Learn Scheme proved to be highly beneficial for students and contributed to their overall development.
